**BCGOLD CORP. ENTERS AGREEMENT TO OPTION
MINTO AREA PROPERTY TO BLING CAPITAL CORP.**

Vancouver, British Columbia, March 4, 2010 (TSX-V: BCG) – BCGold Corp. (or the “Company”) is pleased to announce that the Company has entered into a Letter of Intent with Bling Capital Corp. (“Bling”) (BLIP: TSX-V) whereby, subject to regulatory approval, Bling can earn up to a 70% interest in BCGold Corp.’s 100% controlled Toe Property.

BCGold Corp. has granted Bling the option to acquire up to a 60% interest in the Toe Property (“Property”) by making \$250,000 in cash payments, \$2,000,000 in exploration expenditures and issuing 400,000 shares of Bling to BCGold Corp. over a four year period. Bling can earn an additional 10% interest in the Property by completing a bankable feasibility study, for a total interest of up to 70%. In addition to regulatory approval, the Bling option is subject to BCGold Corp. and Bling entering into a definitive option and joint venture agreement (the “Option Agreement”).

The 1,600 hectare Toe Property is one of BCGold Corp.’s 17 Minto/Carmacks Copper Gold Properties (16,985 hectares) in Yukon, strategically located proximal and adjacent to Capstone Mining Corp.’s currently producing, high-grade copper-gold Minto Mine and Western Copper’s recently permitted Carmacks Copper Project. BCGold Corp. is the largest land holder in the Carmacks Copper-Gold Belt, having spent approximately \$3.5 million in exploration over the past 3 years and advancing 7 properties to the drill-ready stage.

The Toe Property is located 7 kilometers northwest of the Minto mine, along the “Minto Trend” and 255 kilometres northwest of Whitehorse, Yukon. The Toe Property is drill-ready and hosts a number of “Minto-type” copper-gold targets. As part of the Option Agreement, Bling is required to conduct a \$350,000 work program, which is to include up to 1,000 metres of diamond drilling on the Toe Property in 2010. The Toe Property is subject to a 2.5% net smelter returns royalty interest held by BCGold Corp. and a third party.

“This is the second Minto-area property agreement with a 2010 drill program commitment that BCGold Corp. has signed this week, further exposing shareholders to the upside of new discoveries in this highly prospective region,” states Brian P. Fowler, P.Geo., President and CEO of BCGold Corp. “We are very pleased to take on Bling Capital as a new exploration partner in the Carmacks Copper-Gold Belt.”

Details of the agreement are as follows:

1.) Subject to the approval of the TSX Venture Exchange, Bling will make the following cash payments and share issuances:

BCGold Corp. will act as project operator in return for a 10% operator fee.

Upon incurring a minimum of \$1,000,000 in exploration expenditures and providing that all cash payments and share issuances have been made, Bling will be vested with a 50% interest in the Pepper Property and a joint venture will be formed, with Bling being the operator of the Property.
