PAN ANDEAN ANNOUNCES NEW ADVISORY BOARD MEMBERS

Vancouver, BC – October 15, 2019 – Pan Andean Minerals Ltd. (TSX-V: PAD) (“PAD” or the “**Company**”) the Company is pleased to welcome Mr. George Wohlleb and Dr. Kenneth Hughes to its Advisory Board.

Mr. Wohlleb is the Co-Founder and CEO of Sunset Holdings, a vertically integrated hemp/CBD Company. Mr. Wohlleb and his team have created two brands TAO and CYP. TAO is focussed on the sales, marketing and distribution of consumer goods, while CYP is focussed on healthcare, aiming to deliver innovative medicines to physicians utilizing the modalities they are used to prescribing for their patients. Mr. Wohlleb has over 20 years experience in CBD product formulations, marketing, and the distribution CBD products in the UK, EU, Latin America and Thailand.

Dr. Hughes was a Chemistry and Biochemistry professor at the Georgia Institute of Technology and received his Ph.D. in Chemistry from Purdue University. He is a business and technical specialist with broad experience translating complex chemical and biological technologies into industrial, consumer and military commercial products, and builds businesses around these products and technologies. Dr. Hughes is developing strategic technologies for the organic fertilizer production using vermiculture and environmental controls focused on HVAC and air quality for smart farming technology. He has numerous patents granted or pending, with others in development related to indoor agriculture.

“Mr. George Wohlleb and Dr. Kenneth Hughes bring a wealth of hands-on expertise in the hemp/CBD market that will be valuable to the Company as we further explore alternative opportunities in the emerging markets and pursue growth for the Company”, said Spencer Sung Bum Huh, President and CEO of Pan Andean Minerals. “We are very happy to have Mr. Wohlleb and Dr. Hughes join our Advisory Board”.

About Pan Andean Minerals Ltd.

Pan Andean is a Vancouver-based junior resource company that has been listed on the TSX Venture Exchange since 2006, with a focus on copper and gold exploration. The Company acquired prospective gold and copper-gold exploration properties considered to have significant mineral potential by staking, option or purchase agreements. The Company wholly owns two subsidiaries related to mining properties in Peru and is currently pursuing alternative business opportunities.
